"Its strongest moment is when townspeople (Liis Mikk and Carol Morgan) repurpose the stage as a platform for speeches from the Trump inauguration and the foundation of the European Community, performed verbatim. This works thanks to a note-perfect performance from Mikk as Trump." <https://www.thestage.co.uk/reviews/rhino-review-at-bow-arts-london--pertinent-but-lacks-definition> "Liis Mikk is an adaptable actress, able to convincingly play both roles and strong musically." <https://markaspen.com/2019/04/05/ellie-star/>
