I'm a Budapest-based actor with years of experience on stage as a hip-hop DJ, beatbox champion and radio host, connecting with live audiences and building a strong presence behind the mic and on camera. I'm now diving into the world of film, bringing that same energy and focus to acting in my creative journey. I have quite a sharp sense of humor, I'm highly athletic and love physical roles quick to adapt. I'm also fluent in Hungarian, English, German and currently sharpening my American Standard accent. I'm drawn to action/thriller, sci-fi/fantasy and comedy roles, but I'm also excited to take on deeper, dramatic stories that push me as an actor.
