I am Louit, born in Berlin, seven generation of this city, and a huge fan of life. 2016: I'm leading my own company calls the Better Backpacking UG. Here, we create authentic travel packages for all over the world. Since 2014, I started living another dream, being an actor, and work passionately for this. I took lessons from wonderful teachers to understand it's a never ending story. But I really like that book. I'm glad about any professional film project with meanings and the aim to touch people in their feelings and give faith.
