Actor / director / writer / producer / audio-video editor / carpenter. That would be me. (But I also have other skills, hah.) Currently, I'm working on the final version of the feature "Nothing About Love", written and directed by me as an independent. And I'm enjoying the theatre performances with my two one-man-shows ("Freak Show" - Volume 1 & 2), and also other shows ("Dangerous Liaisons" - role: Valmont / "The Lonesome West" - role: Coleman Connor).
