Originally from Reunion Island, I first trained at the Conservatory of Reunion Island in 2004. I spent a year and a half in England where I discovered Meisner and then I joined the Blanche Salant and Paul Weaver workshop while obtaining a Master's degree in theater studies at the Sorbonne Nouvelle. I have had the chance and the opportunity since then to work with talented directors, I have played atypical, enigmatic characters. And I have turned to fiction and cinema since 2019, I am following my path. I am addicted to fitness, yoga, pilates. I travel a lot, a fan of hiking and meditation.
