I was born and raised Kansas in the United States. I graduated from the University of Kansas where his first became interested in acting as a Theatre & Film major. I started out behind the camera, but due to lack of actors interested in student projects I soon found myself in front of the camera as well. I've lived and worked in both Los Angeles and New York City, where I got my first film, TV and stage credits. I now live in Barcelona, Spain and continue working on international film, television and commercial projects. Finally, I'm a founding member of the Blue Book Theatre Co. in Barcelona
